CDWT is an IRS 501(c)(3) non-profit charity. We provide clean drinking water solutions that restore dignity and pride in rural communities. www.cdwt.org

In 2017 we formed the Clean Drinking Water Team Inc. Our work in Nepal has given rise to a regional movement by the locals to improve drinking water conditions for over 1,500 people.

Please support us in 2019 as we take on clean drinking water projects helping people in Cuba, Honduras and Nepal.
