Travel to Nepal with our experienced project team. Enjoy a one day visit to our project site outside Kathmandu and participate in a local celebration as we dedicate our newest water project. Then explore all the wonders of Nepal guided by our trusted friends from Prasant Travel Inc. Every day will be an adventure as you experience 2,000 years of ancient history and amazing culture during the prime time of the year to take in breathtaking views of the Himalayas all around you. We have arranged for special access to a jungle safari, including a visit to the Chitwan National Park elephant, tiger and rhinoceros preserve.
